## M1 Carbine CMP

CMP rules require that the carbine be in "as issued by the U.S. Armed Forces" condition with standard stock and sights. Trigger pull maynot be less than 4 1/2 pounds. No increased weight in the carbine is allowed. Only standard issue 15round magazines are allowed. Glass bedding, laminated and synthetic stocks are not allowed. The course of fire is conducted at 100 yards on the SR-1 high power rifle target. Shooting involves 10 rounds slow fire in both prone and standing positions and 10 rounds rapid fire in prone and either sitting or kneeling. This means that your ammo requirements are 40 rounds for record plus no more than 10 rounds for sighting in.
